Construction Work Hours Effective July 15, 2010

- 1. No construction will be permitted before 7am and the use of heavy equipment will be restricted to hours between 7am and 7pm daily.
- 2. The owner or contractor will be held responsible for any and all damage to all utility services (domestic and irrigation water systems, sewer, electrical, telephone, TV) roadways and parking areas and any damage to the private property of other property owners.
- The resort or affected homeowner will be reimbursed for all labor and repair work necessary to restore damaged property to its full and complete working condition prior to the damage.
- 4. Contractors or employees of contractors who bring animals on the resort must keep all animals tethered and the animals are not permitted to "run loose" or be persistently making noise (e.g. barking dogs.)
- 5. Contractors and others must not burn construction material on resort property at any time.
- 6. The Management Company is directed to not allow construction on any of the condominium buildings to begin before 9am and that work cannot continue beyond 7pm.
